Year	Company	Primary/Alternate	Last	First	Send Ballot?	Voting	Primary	2012-3	Comments
2012	4D Technology Corporation	Primary	Martinek	Stephen	1		1		Firmly in agreement . The current test methods for aspheres and free form optics are not linked to any formal standardization. An agreed upon classical standard method would considerably aid and clarify, defining customer need with the selected manufacturer.

Dates of changes
 Added Corning on 5/25/12
 Added SAIC on 5/25/12
 Corrected Parks, LaCroix (should be observers) on 5/25/12
 Corrected OSA (should be observer) on 5/24/12
 Added LMCO on 5/25/12
