

ANSI-ACCREDITED U.S. TAG to ISO and ISO/IEC: 2019 PROCEDURAL COMPLIANCE FORM and 2018 TAG ANNUAL REPORT - DUE JANUARY 31, 2019

DATED NOTICE

Greetings and Happy Holidays -

This E-mail contains 2 parts below that constitute the 2019 ANSI Procedural Compliance Form for ANSI-Accredited U.S TAGs to ISO and ISO/IEC (Part 1) and the 2018 TAG Annual Report Form (Part 2), both of which are due to psa@ansi.org by **January 31, 2019**. The forms are embedded below and there are no attachments. Please refer to sections *2.5.5 Maintenance of Accreditation* and *2.5.5.2 Annual Reporting* of the *ANSI International Procedures* (www.ansi.org/internationalprocedures).

Parts 1 and 2 must be submitted by the TAG Administrator of each separately accredited U.S. TAG to ISO and ISO/IEC. A list of the separately accredited U.S. TAGs is available at www.ansi.org/isotags. (Please do not submit a form for a TAG that is not separately accredited.) Please review and complete Parts 1 and 2, then return this E-mail with the current TAG roster, as specified in 2.5.5.2, to psa@ansi.org by **January 31, 2019**.

We invite and encourage you to register for and join the following webinar, during which we'll review the 2019 *ANSI International Procedures*, this communication and forms:

- **Thursday, January 10, 2019 at 2:00 pm Eastern Time (Registration required):**
<https://goansi.webex.com/goansi/onstage/g.php?MTID=e6a28a22d391b253676f434aef254da33>

The 2019 edition of the *ANSI International Procedures* is available at www.ansi.org/internationalprocedures and includes one clarification to section *A7.5 Actions Requiring Approval by Majority*. This revision is intended to clarify that for those TAGs that are accredited to operate using Annex A (model TAG procedures), a vote of the TAG is required to approve TAG voting members (as distinct from non-voting TAG members).

Compliance Requirements

ANSI-Accredited U.S. TAG Administrators to ISO TAGs that are accredited to use Annex A (model TAG procedures) must rely on and operate in compliance with the new 2019 edition of the *ANSI International Procedures*, including Annexes A (with the 2019 update) and B contained therein.

ISO and ISO/IEC TAGs that are accredited to use unique procedures, i.e., other than Annex A of the *ANSI International Procedures*, must review, and if necessary, revise their procedures, to ensure that they are compliant with the main text of the 2019 edition of the *ANSI International Procedures* and Annex B.

If a TAG wishes to revise its procedures in any way and at any time then those revisions must be submitted for review and reaccreditation by the ANSI Executive Standards Council (ExSC). Revised procedures are to be submitted to psa@ansi.org in strike-through-underline format and accompanied by a summary of the changes.

January 31, 2019 Deadline - 2019 Compliance Form/2018 Annual Report due to psa@ansi.org

Failure to return a completed 2019 Compliance Form and a 2018 TAG Annual Report, along with the current TAG roster, by **January 31, 2019** may jeopardize the TAG's accreditation status and your organization's status as the related ANSI-Accredited U.S. TAG Administrator. There is no reason for either of these actions to happen; if you have a reason for delay, please just let us know before the deadline of January 31, 2019. Questions may be directed to psa@ansi.org.

Thank you.

FAQs

Why do I have to return this E-mail that contains the 2019 Procedural Compliance Form (Part 1)/2018 TAG Annual Report (Part 2)?

To maintain compliance with the conditions upon which ANSI accreditation was granted, the organization that serves as TAG Administrator to a separately accredited TAG is required to review the *ANSI International Procedures* and update, if necessary, its ANSI-Accredited Procedures to ensure that they comply with all requirements reflected in the 2019 edition, including the requirement for all TAGs to submit an Annual Report by January 31 of each year (www.ansi.org/internationalprocedures).

Will I receive a receipt?

Within two weeks of your submission date you will receive an acknowledgement E-mail. Please retain that receipt for your records. If you do not receive an acknowledgement please send an E-mail to psa@ansi.org as a transmission error may have occurred.

If any revisions have been made to the TAG's procedures, what should I do?

Please send the revised procedures in strikethrough, underline format and with an explanation of the changes to psa@ansi.org. All revisions must be reviewed and may be subject to public comment and a final vote by the ANSI Executive Standards Council (ExSC).

What happens if I do not submit the 2019 Procedural Compliance Form (Part 1) and 2018 TAG Annual Report (Part 2)?

The ANSI Executive Standards Council (ExSC), which is the accrediting body, will be advised and your organization's status as the ANSI-Accredited U.S. TAG Administrator will be reviewed. As a result, the TAG's accreditation may be suspended and could be withdrawn. There is no reason for these actions to take place; if you have a reason for delay, please just let us (psa@ansi.org) know before the deadline of January 31, 2019.
