Subcommittee meetings usually include break-out meetings of working groups and project groups. List the top-level meeting; do not list the break-out meetings.

Subcommittee, Working, or Project Group Meeting Name	Date(s)	Location
TC172/SC7/WG3 Interim Mtg	June 2020	UK

Significant Accomplishments in 2019

ISO Subcommittee

Huge TC172/SC7 plenary meeting held here in Dallas, TX with 128 experts in attendance. 92 of which were from out of the country.

US TAG Subcommittee

Nothing new to report.

Significant Problems Encountered in 2019

ISO Subcommittee

Nothing to report.

US TAG Subcommittee

Nothing to report

Projections for 2020

ISO Subcommittee

Represent the US ANSI position at the WG3 interim meetings to be held in June. Likewise, we are confident that the other SC's will be well represented by the US once their meeting dates and locations are confirmed.

TAG Subcommittee

Nothing to report.
