Agenda

ASC OP/SC 1 — Committee for Optics and Electro-Optical Instruments,
Fundamental Standards

BSR/OEOSC OP1.1002, “Optics and Electro-Optics –
Surface Imperfection Standard for Optical Elements
and Cemented Subassemblies” Task Force Draft Review
(Held in conjunction with the OSA Annual Meeting)

Monday, September 30, 2002, 8:30 a.m. — 4:30 .pm
Hyatt Orlando – Kissimmee, Pelican B Room
6375 Irlo Bronson Memorial Hiway
Kissimmee, FL 34747

1. Welcome and Introductions J. Hamilton
2. Adoption of Agenda J. Hamilton
3. Approval of the January 20-21, 2002, ASC OP/SC 1,
BSR/OEOSC-OP1.002, Optics and Electro-Optics – Surface
Imperfection Standard for Optical Elements and Cemented
Subassemblies Draft Review minutes J. Hamilton
4. Review surface imperfection standards schedule J. Hamilton
5. Report on validation measurements J. Hamilton
J. Johnson
6. Review experimental campaign to test magnification,
lighting, and artifact J. Hamilton
7. Funding memo, review of results G. Kohlenberg
8. Re-plan experimental campaign number two, rest of project J. Hamilton
9. Review of BSR/OEOSC OP 1.002 language J. Hamilton
10. Time and Place for next OP Meeting (Suggestion: J. Hamilton
 - A. Sunday, January 26, 2003, San José, CA, in conjunction
with Photonics West 2003,
 - B. Monday January 27, 2003, San José, CA, in conjunction
with Photonics West 2003.)
11. Adjourn J. Hamilton
